Eagle Pledge Health Screening

Parents/guardians are to conduct a daily Eagle Pledge Health Screening. Attendance at school will confirm the parent/guardian has conducted the screening. Answering "yes" to any "A" symptoms means the student remains off-site. Answering "yes" to three "B" symptoms means the student remains off-site.

(1) Yes - "A" Symptoms	(3) Yes - "B" Symptoms
Fever greater than 100.4° F	Nasal Congestion/Stuffy Nose
Sore Throat	Runny Nose
Cough	Muscle/Body Aches
Difficulty Breathing	Fatigue
Diarrhea or Vomiting	Chills
New Loss of Taste or Smell	Nausea
New Rash or Unexplained Lesions	Loss of Appetite
	Elevated Temperature Less Than 100.4° F
	New Onset of Severe Headache

Remember to follow the 3 Eagle Pillars of Protection

- **Limit Exposure**
- **Sanitize**
- **Physical Distance**
