

High School Juniors & Seniors

• WHAT'S YOUR PLAN FOR COLLEGE?

Right now, college probably seems a million miles away. But NOW is the best time to start making plans for what happens after high school. You don't have to make any big decisions yet, but the sooner you start thinking about what you're interested in doing for a living, the easier your choices will be later. Where are you headed after graduation? What do you have to do to get there?

Don't know where to start? You're not alone! Read this booklet for some good ideas about how to begin your journey. Then talk to your family and school counselor about your plan for college.

WHAT'S IN IT FOR YOU?

- You'll have the time to explore your interests, discover things you didn't know and set new goals.
- College is fun! You'll meet interesting people and make new friends.
- You'll learn how to learn how to think critically, solve problems and develop new skills.
- A degree can take you out of a minimum-wage job and into a good-paying career you enjoy. Studies prove it: Continue your education after high school, and you're likely to make more money and enjoy a better life.

OKCOLLEGESTART.ORG

OKcollegestart.org is the official source for planning a college education in Oklahoma and offers interactive tools to help you prepare and pay for college. The website provides information about admission requirements, financial aid and scholarships, college costs and more. You can search by keywords and receive personalized results to compare colleges.

LET'S TALK MONEY

WITHOUT A DEGREE

Let's say you decide to skip college and take a job as a data entry keyer. You'll get paid about \$18 an hour, which is approximately \$3,120 a month or \$30,554 per year in take-home pay.

WITH A DEGREE

Now let's say you take the time to explore careers, go that extra mile and graduate from college with a degree in computer programming. As a computer programmer, you'll make about \$54 an hour. That's \$9,360 a month or \$81,198 per year in take-home pay.

Gross Pay

\$3,120 per month

Less taxes, Social Security and Medicare

Take-Home Pay \$2,546 per month

Gross Pay \$9,360 per month

Less taxes, Social Security and Medicare

Take-Home Pay \$6,767 per month

THE MORE YOU LEARN, THE MORE YOU CAN EARN

In fact, national data show that someone with a bachelor's degree earns a median income 75% higher than someone with just a high school diploma. That makes a huge impact on your monthly paycheck and can help you afford the lifestyle you want.

COURSES TO TAKE

You must take certain courses in high school to graduate and for admission to an Oklahoma public college or university. These requirements will prepare you for college, and you'll learn valuable skills for your future career.

SUBJECT	UNITS
English	4 units
Mathematics	3 units
Laboratory Science	3 units
History and Citizenship Skills	3 units
Other	2 units
Total	15 units

For more information about the specific courses you must take to earn a "college preparatory/work ready" high school diploma, visit OKcollegestart.org. Remember that requirements may change, and they may be different for private colleges and universities, so always check with your counselor for details.

THINK AHEAD

A great way to speed up your college career is to consider earning college credit even before you graduate from high school. Taking advantage of opportunities such as Advanced Placement (AP) courses and concurrent enrollment can save you time, tuition, and food and housing, and will also prepare you for the demands of college. To learn more, visit OKcollegestart.org and ask your high school counselor what options are available at your school.

COLLEGE ENTRANCE EXAMS

Talk to your counselor about taking the ACT and/or SAT. Visit OKcollegestart.org to learn more about preparing for college entrance exams and to access free ACT and SAT test prep resources. For more information about preparing for the ACT exam, visit ACT.org, and for information about preparing for the SAT exam, visit SAT.org.

GRADES TO MAKE

If you want to attend an Oklahoma college or university, you must meet certain requirements. When you apply for admission, public colleges and universities will look at:

- > Your score on a national standardized test (ACT or SAT) (optional at some institutions for admission decisions).
- Your overall grade point average (GPA) and ranking within your high school class, AND
- Your GPA in the 15 core courses required for college entry.

For more information about 2024-25 admission requirements for first-time entering students at Oklahoma public colleges and universities, visit OKcollegestart.org. You can also talk to your school counselor or check with the college(s) you want to attend.

NOTE: While all students are encouraged to take the ACT or SAT if the tests are available, public colleges and universities may be authorized to use multiple measures of student performance to make admission and placement decisions for the fall 2025 semester. For more information, students should contact the admission office at the college or university they would like to attend.

THE CHOICE

Choosing where to go to college is an important decision. Your selection will affect your future and even your success as a student. Here are some things to think about:

- Location: Are you willing to move away from home? Do you prefer a city or country setting? Do you want to live on campus?
- Type of college/university: Do you want to be on a large or small campus?
- Admission requirements: How are your grades and test scores?
- > Academics: What do you want to study?
- Financial aid: How much financial assistance do you need? Can the campus provide you with aid (scholarships, part-time employment)?
- Activities: Which campus offers the best options for your interests?

CAMPUS VISITS

Still undecided about which college is best for you? Schedule some visits to the colleges and universities you might be interested in attending. These visits can help you make a more educated decision. While on your campus visits, talk to as many people as you can and don't pass up a chance to ask questions. Use the *Making the Most of Campus Visits* guide found at UCanGo2.org to make your trip a success. Many colleges also offer virtual campus tours. To find a list of participating colleges, visit OKcollegestart.org.

TYPES OF INSTITUTIONS & DEGREES

RESEARCH UNIVERSITY

An institution that grants bachelor's, graduate and professional degrees and offers a wide variety of courses and degree programs. Generally, they have large student bodies and expansive campuses.

REGIONAL UNIVERSITY

An institution that offers bachelor's and master's degrees, and in some instances, associate or professional degrees. They tend to have mid-sized student populations and campuses.

PUBLIC LIBERAL ARTS UNIVERSITY

An institution that grants bachelor's degrees in arts and science fields, including humanities. A public liberal arts university tends to have smaller class sizes that facilitate close interaction between faculty and students.

COMMUNITY COLLEGE

An institution that grants associate degrees for transfer to four-year institutions or for career preparation. They usually offer flexible class schedules with smaller class sizes.

TECHNICAL BRANCH

An institution that grants applied associate degrees, some Bachelor of Technology degrees and a limited number of associate degrees for transfer to four-year institutions. Technical branches have a special emphasis on education and training in technical fields.

MICRO-CREDENTIAL

A micro-credential is a short-term, specialized qualification you can earn after completing a set of activities, projects and/or courses that are designed to teach you specific skills, capabilities and knowledge you can use right away in the workplace.

CERTIFICATE

A credential awarded for an organized program of study that may or may not lead to an academic degree.

ASSOCIATE IN ARTS (A.A.) OR ASSOCIATE IN SCIENCE (A.S.) DEGREE

A degree awarded upon completion of two years of full-time college work (at least 60 credit hours) that is designed to transfer to a four-year university. The State Regents recognize these two types of associate degrees that transfer to any state system university.

ASSOCIATE IN APPLIED SCIENCE (A.A.S.) DEGREE

A degree requiring two years of full-time college work (at least 60 credit hours) that emphasizes an occupational specialty and is designed to lead the individual directly to employment. Some A.A.S. degrees may lead to a Bachelor of Technology degree.

BACHELOR'S DEGREE

A degree requiring four years of full-time college work (at least 120 credit hours). The State Regents recognize three types of bachelor's degrees — Bachelor of Arts, Bachelor of Science and Bachelor of (Specialty), such as Music, Education, etc.

To learn more about selecting the right institution for you, check out the Browse Postsecondary Schools section at OKcollegestart.org

PAYING FOR COLLEGE

College costs vary; some institutions are more expensive than others, especially for out-of-state students. Fortunately, the cost of attending an Oklahoma public college or university is among the lowest in the nation. In addition, the availability of financial aid from various sources can make college even more affordable for qualified students.

OKLAHOMA'S PROMISE

Oklahoma's Promise allows students to earn a college tuition scholarship if they meet certain academic and conduct requirements in high school. The 11th grade is the last year you can apply to the program. Your parent(s) must meet certain income requirements at the time of application and each year you are enrolled in college.* There are also academic and conduct requirements to keep the scholarship in college. For more information, visit OKPromise.org or call 800.858.1840.

*Special income provisions and application deadlines may apply to children adopted from certain court-ordered custody, children in the custody of court-appointed legal guardians, and Social Security benefits based on the death or disability of the student's parent(s). Please contact the Oklahoma's Promise office for more information.

TYPES OF FINANCIAL AID

There are four different types of financial aid available: scholarships, grants, work-study and student loans. To learn more about financial aid, visit OKcollegestart.org.

WHAT IS THE FAFSA?

Beginning with the 2024-25 school year, students must complete and submit a Free Application for Federal Student Aid (FAFSA) in order to graduate from a public high school in Oklahoma. Completing the FAFSA is required to apply for federal financial aid (grants, work-study and student loans) and the Oklahoma Tuition Aid Grant Program (OTAG). Oklahoma's Promise recipients will also be required to complete the FAFSA each year.

You'll need to have your parents' tax return(s) along with yours to complete the FAFSA. Even if you don't think you need financial aid (or qualify for it), fill out the FAFSA anyway. Most students qualify for some form of federal financial aid! Complete the FAFSA as soon as it becomes available during your senior year and each year prior to the term you will need financial aid for college. Visit StartWithFAFSA.org to find FAFSA completion tools and learning modules.

TIPS FOR SCHOLARSHIP SUCCESS

- **Do your research.** Set up an appointment with your school counselor to talk about your scholarship options. Many colleges post available scholarships on their websites. Check with the college(s) you plan to attend to learn about scholarships they may offer.
- Go local. Many clubs, civic organizations and churches offer scholarships. If you aren't sure, ask! Applying locally for scholarships means you're competing against fewer people.
- Do the "write" thing. Many scholarships require an essay, but don't let that discourage you. Scholarships that require essays have fewer applicants, which means you have a greater chance of winning the award. Review UCanGo2's Scholarship Essay Tips for assistance.

Check out the Scholarship Success Guide at UCanGo2.org.

Don't miss the boat. Apply for as many scholarships as possible and keep track of the requirements for each one so you don't miss out on free money by forgetting to include your transcript or submitting your application after the deadline. Use UCanGo2's Scholarship Tracker to stay organized!

EMPLOYER TUITION ASSISTANCE

Are you exploring options to help pay for college? Many companies across the state provide tuition assistance benefits to help employees pay college expenses.
