OKLAHOMA Education

It's here! This week we will take our Math section of the OSTP on Tuesday and Wednesday mornings. We will start PROMPTLY at 8:35. Here's how you can help your child have the best chance at success.

- ✓ Adequate rest the nights before testing
- ✓ Breakfast to give your child energy to finish strong
- ✓ Encourage, reassure, cheer-on, and love your kiddo into knowing they are ready and will do great!

We would like to have a Kite Day sometime before the end of the year. We are going to decorate our own kites here at school. Each child needs to bring \$3 to cover the cost of the kite supplies.

BOUNCE HOUSE

May 19, 2026

Congratulations to CC, Legend, and Briar! They reached their Bounce House goal this week!

SPELLING TESTS RESUME THIS WEEK! JUST 3 MORE AND THEN WE'RE DONE FOR THE YEAR!
