A Note from the Teacher

It's been a great couple of days with your children! I am just tickled pink with all the potential I see bottled up in these young people. This is going to be an exciting year!

Just a couple of things to remind you of:

- Water bottles & snacks are allowed and encouraged.
- In an effort to alleviate some stress from your mornings regarding snacks, I'll have some snacks in my classroom for the students to purchase for 50 cents each. I hope this helps! ☺

What We're Learning...

Academically Speaking

We will continue to build our community in the classroom and develop effective procedures. Introductions in all subject areas will also begin.

Eagle Sports

If you're a loyal Eagle sports fan, there is a lot going on right now. The volleyball and softball teams are playing right now, and football will begin soon. If you're into FFA, several livestock shows are occurring in the next few weeks. Sequoyah is a busy place!

Homework???

You may be wondering about the amount of homework that you should expect this year. The good news is that we do not have scheduled homework nights. Yippee! The other news is that any work not completed at school will be expected to be taken home, finished, and returned the following day for credit.

Take Home Folders

Take home folders should come back and forth daily. This is a great way to keep your child better organized. Please make it a habit to look over your child's work and notes every night. A class newsletter will be sent home every Monday night.

Contact Info

Please don't hesitate to reach out with any questions or concerns.
