A Note from the Teacher

Please be sure to connect to Class Dojo for quick announcements, reminders, and fun pics from our school days. Let me know if you're having trouble connecting.

Don't forget to send a freshly filled water bottle every day. If your child wants a snack about 10:00 a.m., it can be brought from home or purchased for 50 cents.

Homework

Any classwork not completed during the school day is required to be finished at home and returned the following morning. If you see a "Late Paper" message on your child's graded assignment, that means they did not take it home. A 10 point deduction will be assessed beginning after Labor Day.

**If there is ever an emergency in your family that does not allow your child to finish homework as expected, please notify me the next morning. I will wave the penalty and allow additional time to finish.

What We're Learning...

Literacy Night

Literacy night was a huge success, and we are now beginning our reading challenge. The Mouse & The Motorcycle is a fabulous book, so enjoy the time sharing it together as a family. THIS WILL BE A GREAT OPPORTUNITY FOR YOUR CHILD TO BUILD THAT HABIT OF READING AT HOME EVERY EVENING FOR A FEW MINUTES.

PTO Meeting

Our parent organization is called EAGLE P.A.S.S. (PARENT ADVOCATES FOR SEQUOYAH SCHOOLS.)

They are having their back to school KickOff meeting on Thursday, August 28 @ 6:00 PM in the Elementary Building. Come Join In!

MULTIPLICATION

We will start Factivation, a program to help us learn multiplication facts. Students will work to learn all facts from 2's -9's. Home practice is very helpful if your student is going to become fluent in math facts. Please get involved now to ensure success in memorizing multiplication facts.
