

OUR CLASS NEWS

from Mrs. Post's Room

January 12-16, 2026

2nd semester update

As we begin the 2nd semester, student responsibility gets a nudge. THE INITIAL GRADE A STUDENT SCORES WILL BE RECORDED. Students may still be asked to correct things to ensure the understanding of the concept; however, SCORES WILL NOT BE AVERAGED. This could impact student averages, so using the online gradebook is essential. It's your best friend in monitoring your child's progress and heading off declining grades.

Important Reminders

- Jan. 15 ~ Report cards sent home
- Jan. 19 ~ No School (MLK Day)
- Feb. 9 & 10 ~ Parent conferences 4:00-7:00 nightly
- Feb. 12 ~ Valentine Party
- Feb. 13 ~ No School

What We're Learning . . .

Multiplication Testing

Congratulations to Everett for joining the division group.

Please set aside a little time to practice nightly. There are many students who are close to the extra practice homework pages.

Remember that they have 10 calendar days to pass a set before I will assign extra practice.

Accelerated Reader

Our 3rd quarter challenge will be "Get Your Kicks on Route 66" It will be a class against class challenge. We are working to race our class car along the track and accumulate the most miles. 1 AR point earned equals 1 mile that our car moves. The more we work together the better off we will be. Please encourage your Kiddo to be reading!

Skate Night

Eagle PASS PTO is hosting a family skate night next week at Roller World. Be looking for the flyer to come home with your Kiddo tomorrow.
