November 16–20, 2026

Wax Museum

We're all set for Friday morning at 10:00 for our Wax Museum! Please feel free to come anytime between 10:00 and 11:00 to watch your child in action. There will be a large group of 2nd graders from 10:00 – 10:20, so coming after that may be an easier time. Students should come to school in costume on Friday.

Thanks for taking part in this school adventure!

Important Dates

- Nov. 20 ~ Wax Museum
- Nov. 23-27 ~ Thanksgiving Break
- Dec. 18 ~ Christmas Party
- Dec. 21-Jan. 4 ~ Winter Break
- Jan. 5 ~ Classes Resume

What We're Learning . . .

Thankful

During this season of gratitude, let me say how grateful I am for you and your kiddos!

Wishing you and your families many blessings.

Happy Thanksgiving!

Accelerated Reader

Independent reading is vital for you child's educational success and continued growth. Please encourage your young one to be reading daily at home. Perhaps you might even read with them occasionally and show them the joy and excitement of a good book.

Multiplication

Timed testing will be taking place daily. Students should be practicing at home. They will have 10 calendar days to pass from one family to another before they will be required to do some written homework practice.
