What We're Learning...

snacks & water

Please make sure students come to school with a water bottle every day.

Students are allowed a mid-morning snack. They are welcome to bring something from home, or I have some snack items available for 50 cents.

GOOD LUCK to those competing at the ROGER'S COUNTY FAIR this week!

FACTIVATION

We've learned the rule for multiplying 0 and 1 and we will continue our practice with 2's this week.
