GRADE REMINDER

As we begin the 2nd semester, student responsibility gets a nudge. **The initial grade a student scores will be recorded.** Students may still be asked to correct things to ensure understanding, however, **scores WILL NOT be averaged.** This could impact grades, so please be diligent in looking at the online gradebook and reaching out if you have questions.

ACADEMICS THIS WEEK

Reading-Summarizing
Language- singular and plural nouns, adverbs
Math-Addition
Spelling-Test on Friday

READING AROUND RT 66

Our new quarter is in full swing! Today, I introduced our newest AR reading challenge. There are 2 parts to this: class and individual. We are going by points and book level for each. The class challenge will total the points earned by each student. 1 point=1 mile on our road (bulletin board in the hall). The class that travels the farthest on Rt. 66 wins! Individual has to do with desk pets. Let's keep reading!!
