Our Wax Museum is this FRIDAY! It will be in the Olan Graham and open to parents to come around 10 for about an hour. All of the students will be set up together.

There will be a large group of second graders coming in from around 10:00-10:20 to see us.

GRATITUDE

As we enter this season of gratitude, I want to express how grateful I am to be a teacher here at Sequoyah. I am very thankful for my class this year and the support that parents provide. There is no better place to be, in my opinion. Thank you for making this place a home.
