

Harmony in Voices, Unity in Spirit

Kize Brayden

I am a 6-12 Choir Director, movie watcher, choir singer, and I probably play a few too many video games (at least that's what my mom told me as a kid). This is my second year and Sequoyah and I enjoy passing on my love of singing and music to my students through choir. Choir is so much more than just singing what is on the page, it is learning how to learn (as weird as that sounds), it is discovering who you are as a person, and it is learning to love music no matter what kind. I love to challenge my students with music they would look at and think "I can't possibly do this" because by the end of the semester the gratification they feel after singing it at the concert when only a few months ago they believed it to be impossible is overwhelming.

I graduated from The University of Tulsa in May of 2024 with a Bachelors in Music Education (Vocal).
